SEX OFFENDER DISPLAY FROM GEORGIASEXOFFENDERS.NET - \$35.00 per month

A subscription to use the sex offender display provided by GeorgiaSexOffenders.net includes secure access to a user-friendly interface where you can add, delete, or change your county's sex offender list. Within 2 business days of receipt of this application, you will be provided with your county's secure username and password for immediate access to log in to GeorgiaSexOffenders.net. You will also be provided with a URL (website address) for use if you would like to link to your sex offender list on the GeorgiaSexOffenders.net website, a URL for use if you would like your webmaster to simply load your sex offender display into a frame on your existing website in order to keep the look of your current site, and a URL for use to print your sex offender list for display in county admin buildings, etc. This means that a subscription to GeorgiaSexOffenders.net can help you **satisfy your website display of sex offenders as well as your printed copies in all your county's admin buildings and schools.** And because you can **update the display yourself in real-time** without waiting for a web designer or paying any webmaster fees, you can easily satisfy the requirement to update the information within two days.

_____ Yes, please sign me up for a subscription to GeorgiaSexOffenders.net for only \$35.00 per month.

OPTIONAL WEBSITE ADD-ON FROM GRIFFIN WEB DESIGN – Additional \$20.00 per month

If your county or sheriff's office does not yet have a website, we are offering a complete web page for only \$20.00 per month. **This is an amazing deal as it covers everything you need**, including registering your website's domain name (address), setting up the web page initially using a special sheriff's office or county design template we have created, adding a second page that imports your sex offender display from GeorgiaSexOffenders.net, and hosting the site on our server. There is also a control panel where you may add as many email addresses as you'd like. Need more? We offer additional pages for a one-time only setup fee of \$90.00 per page. Optional maintenance plans are also available. We are a full service web design firm and can handle any other needs you may have.

_____ Yes, please sign me up for a COUNTY or SHERIFF'S OFFICE (circle one) website for an additional \$20.00 per month.
